vision fund snapshot

Our Vision Fund was set up in March 2018 to raise money to make improvements to the facilities of Nittany Bible Church so that we can accomplish what we believe is God's vision for us as a church ... that we would be a place where people can COME worship Him together, GROW in biblical community, and GO into all the world and preach the gospel. The project has been divided into three stages that you can find in the foyer of the church.
